4. 「New RStudio Project」を選択。

The screenshot shows the 'Space_Tanaka_Ayumu' dashboard. On the left, there's a sidebar with 'All Content', 'Your Content', 'Templates', 'Archive', 'Trash', and 'New List'. The main area is titled 'All Content (0)' and shows 'no content'. A 'New Project' button is circled in green, and its dropdown menu is open, showing options: 'New Project from Template', 'New RStudio Project' (circled in blue), 'New Jupyter Project', and 'New Project from Git Repository'. A notification 'New RStudio Prc' is visible next to the 'New RStudio Project' option. At the bottom left, a message states: 'This space can have up to 10 more projects or outputs. Archive or trash existing content to make room for additional content. If you need more capacity in this space, please upgrade your account.' with an 'Upgrade Account' button.

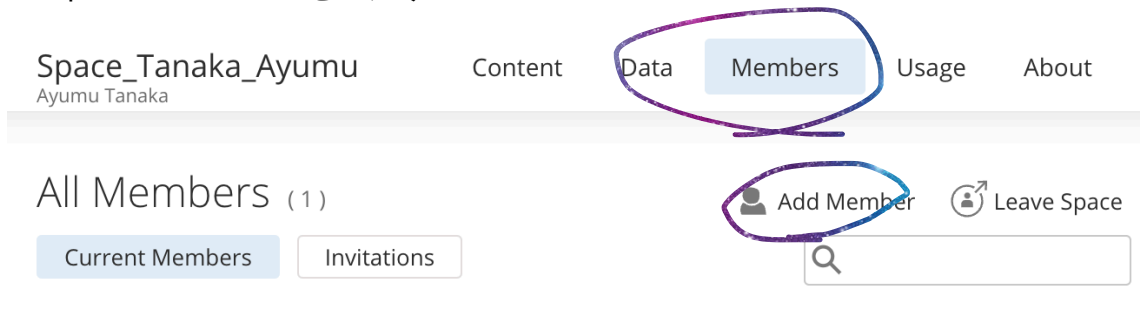

5. 「Untitled Project」という名前を、「practice01」に変更する。

The screenshot shows the RStudio IDE interface. The top bar displays 'Space_Tanaka_Ayumu / practice01', with 'practice01' circled in blue. The menu bar includes 'File', 'Edit', 'Code', 'View', 'Plots', 'Session', 'Build', 'Debug', 'Profile', 'Tools', and 'Help'. The toolbar shows icons for file operations and a 'Go to file/function' search bar. The 'Console' tab is active, showing the R 4.4.0 prompt and output: 'R 4.4.0 · /cloud/project/'. The 'Environment' tab is also visible, showing 'Global Environment' and 'Environment is empty'. The 'Files' pane at the bottom right shows a list of files: '..' (Size: 0 B, Modified: May 8, 2024, 2:1), '.Rhistory' (Size: 0 B, Modified: May 8, 2024, 2:1), and 'project.Rproj' (Size: 205 B, Modified: May 8, 2024, 2:1).
